

AluDEK
much cheaper
than a flex-slab-
formwork!

Form with AluDEK to your benefit

The fast and cost-effective modular slab formwork

- **Extra lightweight**
only 16kg/m²
- **Top performance**
up to 30cm thick slabs from the ground level
- **Cost-effective**
- **Extremely fast**
main panels 1,35 x 1,35 (1,82m²)
easy assembly and disassembly
one AluDEK Head for all purposes (edge, joint, corner)
significantly faster than comparable systems
- **Highly flexible**
perfectly combinable with AL2000

Price comparison*

Flex- slab formwork

2,6€/m²

RINGER AluDEK
