INVITATION

to the factory tour

We look forward to seeing you!

**LET'S
BUILD**

RINGER
SCAFFOLDING + FORMWORK

Looking forward to your visit: (f.l.t.r.)

Thomas Ringer, Markus Ringer, Peter Rungger, Robert Traxl, Peter Ringer, Philipp Ringer

YOU CAN RELY ON ...

- **Finding the best solution.**
- **Speed and flexibility.**
- **Unconditional adherence to deadlines.**
- **Genuine handshake quality.**
- **We keep our promises.**

Because RINGER is not just our product. RINGER is our name.
RINGER stands for quality, reliability and tradition.

**See for yourself
and make an appointment
with your regional customer
advisor:**

LET'S BUILD

In our ultra-modern factory in Regau, Upper Austria, our employees work with the latest technology to fulfil the diverse requirements of the construction industry. Pipe lasers, welding robots and much more guarantee precise state-of-the-art production.

COME AND VISIT US IN REGAU

We invite you to visit us in Regau and get to know the world of RINGER. Experience our products and solutions and gain an insight into the production of scaffolding and formwork, logistical processes and our extensive rental park during a factory tour.

HIGHLIGHT SALZKAMMERGUT

A visit to the Regau centre can be perfectly combined with a stay in the Attersee region or the Salzkammergut. Marvellous scenery, mountains and lakes as well as outstanding cuisine invite you to spend some time here.
